About Everyone's Harvest:

Everyone's Harvest, a non-profit, brings people and healthy food together. We run the Marina, Pacific Grove, and Alisal Certified Farmers' Markets for the benefit of farmers and consumers alike. Everyone's Harvest strongly believes everyone deserves the right to fresh, healthy, organic, produce supplied by our local region and free public events are necessary to strengthen a community. In 2002, Everyone's Harvest started when five women (three CSUMB students) noticed the lack of local, fresh, organic produce in Marina. Together, they decided to start the Marina Certified Farmers' Market. The project was fueled by a CSUMB capstone project. In 2011, Everyone's Harvest is also involved in the Salinas-Marina Community Food Project supporting community gardens and running an Edible Education for Healthy Youth Program using the farmers' markets as an outdoor classroom to teach youth and families about nutrition, small-scale family farmers, and local produce. We greatly appreciate our volunteers; without their commitment, many Market events and activities would not be possible.
